ICE MAKER

Ice is always there
where or when you need!

ABOUT US

**ICE IS ESSENTIAL TO MAKE QUALITY DRINKS.
DELUX WILL PROVIDE YOU FRESH TASTING
CRYSTAL CLEAR ICE MAKING YOUR DRINKS
BETTER.**

Delux offers one of the most reliable machines to the Australia market. The machines are custom designed to handle tough working environment such as tropical climate and heat. Every ice maker is environmentally friendly, low water consumption and energy efficient.

Whether you need cube, snow ice, Delux will provide a suitable, affordable and reliable ice maker which meets your requirements and exceeds your expectations. What is more, Delux product range also includes the super volume storage freezer & refrigerator allowing you to quickly preserve food, drink and goods. Each design is inspired by the principles of quality, energy saving and practicality which is a good choice to meet your commercial demand applications.

Our vision is to lead these industries through high technology, superior customer service, a commitment to innovation and a dedication to sustainability. This effort has resulted our position as the leading ice maker manufacturer and is currently distributed in more than 40 countries worldwide .

When you think of Ice, think Delux!
We will maximise the value of ice in your business.

Ice is always there,
where or when you need !

SELF CONTAINED ICE MAKER

CAN BE INSTALLED ANYWHERE

DLX-40 / DLX-60 / DLX-90

FEATURES

- Produces crystal clear ice cube and melts down slowly
- Up to 45/62/102kg production per day
- Up to 13/22/34kg storage capacity
- Free water filter supplied with every ice maker
- Stainless steel body with reinforced industrial grade plastic
- Intelligent functionality and simple electro mechanical controls
- Low water consumption technology
- Maximum cooling performance
- Superior energy efficiency
- Automatic & Manual water cleaning function
- Removable and washable front access condenser air filter
- Easily accessible front panel mount ON-OFF switch
- Routine maintenance reminder alarm light on front panel
- Ergonomically designed ice-storage access, with disappearing door
- Adjustable and removable legs
- Complete with water & drain hoses and ice scoop
- CFC-free Refrigerant
- 10AMP Power supply
- 2 year parts, 1 year labour warranty

SELF-CONTAINED TYPE

- * Free water filter supplied with every ice maker
- * Production may fluctuate based on ambient and water temperature
- * Technical features subject to change without prior notice

DLX 40

DLX 60

DLX 90

FULL DICE CUBE

ICE CAPACITY	Up to 45kg cube ice production in 24 hrs 13Kg storage bin
FEATURES	Low water consumption Stainless steel body with reinforced industrial grade plastic Removable air filter Complete with water , drain hoses and ice scoop
PARAMETER	Machine Dimensions: 505 W x 656 D x 880 H mm Net weight 44 Kg 10AMP power supply 360W power consumption

FULL DICE CUBE

Up to 62 kg cube ice production in 24 hrs 22 Kg storage bin
Low water consumption Stainless steel body with reinforced industrial grade plastic Removable air filter Complete with water ,drain hoses and ice scoop
Machine Dimensions: 610 W x 656D x 990 H mm Net weight 52 Kg 10AMP power supply 400W power consumption

FULL DICE CUBE

Up to 102 kg cube ice production in 24 hrs 34Kg storage bin
Low water consumption Stainless steel body with reinforced industrial grade plastic Removable air filter Complete with water ,drain hoses and ice scoop
Machine Dimensions: 715W x 656 D x 990 H mm Net weight 57 Kg 10AMP power supply 740 W power consumption

ICE DISPENSER TYPE

UNDER-COUNTER & FREESTANDING ICE MAKER

- * Free water filter supplied with every dispenser
- * Production may fluctuate based on ambient and water temperature
- * Technical features subject to change without prior notice

ICE WATER DISPENSER ICE MAKER

DISPENSES EITHER ICE OR WATER OR BOTH

ICE WATER DISPENSER UP TO 24KG

DLX-25

FEATURES

- Produces individual crystal clear ice cube without dimple
- Trouble free operation with a choice of ice, water and ice or water
- Up to 24kg production per day
- Up to 3kg storage capacity
- Free water filter supplied with every dispenser
- Stainless steel body with reinforced industrial grade plastic
- Intelligence with multi electromechanic functionality controls
- Superior energy efficiency
- Automatic water cleaning
- Hygienic design with minimal risk of contamination
- Removable and washable air filter
- Adjustable and removable legs
- Complete with water & drain hoses
- CFC-free Refrigerant
- 2 year parts, 1 year labour warranty

CRESCENT CUBE

ICE CAPACITY	Up to 24 kg production per 24 hrs 3 Kg storage bin
FEATURES	Minimal risk of contamination. Stainless steel body with reinforced industrial grade plastic Removable air filter Complete with water , drain hoses and ice scoop
PARAMETER	Machine Dimensions: 350 W x 550D x 680 H mm Net weight 32 Kg 10AMP power supply 250W power consumption

Ice is always there, Where or when you need !

MODULAR ICE MAKER

MAKE BETTER ICE FOR QUALITY COLD BEVERAGES.

Modular units offer high production capacity perfect for food service, hospitality and supermarket applications.

Our machines provide superior performance, energy efficiency and make perfect clear slow melting ice.

DLX-160 / DLX-230 / DLX-410

FEATURES

- Produces crystal clear ice cubes and melts down slowly
- Up to 160/208/448kg production per day
- Free water filter supplied with every modular ice maker
- Stainless steel exterior
- Simple and reliable electromechanical controls
- Troublefree operation and maintenance
- Constantly monitoring auto alert indicator
- Low water consumption technology for water conservation
- Easy installation
- Maximum cooling performance
- Superior energy efficiency
- Patent evaporator design minimises the risk of bacteria contaminants
- CFC-free Refrigerant
- 2 year parts, 1 year labour warranty

MODULAR TYPE

- * Free water filter supplied with every modular ice maker
- * Production may fluctuate based on ambient and water temperature
- * Technical features subject to change without prior notice

MODEL SB–90

SUGGESTED ICE BIN

104kg storage bin

Complete with water , drain hoses
and ice scoop

Dimensions: 560 W x 830 D x 1150 H mm

Net weight 38Kg

FULL DICE CUBE

ICE CAPACITY	Up to 158kg production per 24 hrs
FEATURES	Low water consumption Stainless steel external body
PARAMETER	Machine Dimensions: 560 W x 618 D x570 H mm Net weight 54 Kg 10AMP power Supply 790W power consumption

FULL DICE CUBE

ICE CAPACITY	Up to 208 kg production per 24 hrs
FEATURES	Low water consumption Stainless steel external body
PARAMETER	Machine Dimensions: 760 W x 618 D x 570 H mm Net weight 70 Kg 10AMPHz power supply 870W power consumption

FULL DICE CUBE

ICE CAPACITY	Up to 448 kg production per 24 hrs
FEATURES	Low water consumption Stainless steel external body
PARAMETER	Machine Dimensions: 760 W x 618 D x 743 H mm Net weight 70 Kg 15AMP power supply 2280W power consumption

SUGGESTED ICE BIN

MODEL SB–180

180kg storage bin

Complete with water , drain hoses
and ice scoop

Dimensions: 760 W x 830 D x 1150 H mm

Net weight 45Kg

SUGGESTED ICE BIN

MODEL SB–180

180kg storage bin

Complete with water , drain hoses
and ice scoop

Dimensions: 760 W x 830 D x 1150 H mm

Net weight 45Kg

Natural snow,
Perfect for any beverage and dessert.

SNOW MACHINE UP TO 200KG

- * Free water filters supplied with every snow maker
- * Production may fluctuate based on ambient and water temperature
- * Technical features subject to change without prior notice

SNOW MACHINE

PERFECT FOR ANY BEVERAGE

Snow maker is a machine that produces real natural snow, which is perfect for making various cold desserts, such as natural fruit juice, snow slush and sweet bean with snow etc.

Perfect for restaurants, bars, cafés, coffee shops, cold drink store, Interior shop, offices, and medical uses.

FEATURES

- Natural SNOW, great for various cold desserts and drinks
- Ultraviolet UV Water Sterilizer System.
- Continuous snow making with 200kg capacity per day.
- Cooling & foam insulation design of the inner chamber, prevents snow melting for longer period of time.
- Bar in door - Design for easy use.
- Stainless steel construction
- Intelligent display touch screen design, provide screen saver for advertisement, promotion purpose.
- Monitoring operation status record for maintenance and diagnostic feedback purpose.
- 2 year parts, 1 year labour warranty

TYPE

ICE CAPACITY	Up to 200 kg production per 24 hrs 18Kg storage bin
FEATURES	Low water consumption Stainless steel body with reinforced industrial grade plastic Complete with water , drain hoses and ice scoop
PARAMETER	Machine Dimensions: 580 W x 550 D x 1300H mm Net weight 57 Kg 10AMP power supply 1230W power consumption

Super volume
And massive storage.

CHEST FREEZER

SUPER VOLUME STORAGE

DCF-568 chest freezer / DCF-658 chest freezer

FEATURES

- Delux commercial fridge freezer has super volume storage with fast freeze function allowing you to quickly preserve goods.
- Perfect for all your commercial application within all food& drink segments such as meat, sea food or ice cream.
- Low energy consumption
- Super thick insulation for better thermal efficiency.
- Easy conversion between fridge and freezer
- Lift-up handle with integrated lock & key.
- Storage baskets included.
- CFC-free Refrigerant
- 1 year warranty
- Stainless steel top

CHEST FREEZER UP TO 568/658 LITRE

CHEST FREEZER

* Technical features subject to change without prior notice

DCF-568 chest freezer

STORAGE CAPACITY 568 Litre storage capacity

- FEATURES
- Low energy consumption
 - Easy conversion between fridge and freezer
 - Lift-up handle with integrated lock & key.
 - Storage baskets included
 - Stainless steel top

PARAMETER

Machine Dimensions: 1805 W x 771 D x 837H mm
Net weight 77 Kg
10AMP power supply
140 W power consumption

Super volume and massive storage!

Lift-up handle with integrated lock & key Adjustable temperature Front ON-OFF switch Castor wheels for easy movement High efficiency compressor

DCF-658 chest freezer

STORAGE CAPACITY 658 Litre storage capacity

- FEATURES
- Low energy consumption
 - Easy conversion between fridge and freezer
 - Lift-up handle with integrated lock & key.
 - Storage baskets included
 - Stainless steel top

PARAMETER

Machine Dimensions: 2025 W x 820 D x 840H mm
Net weight 104Kg
10AMP power supply
265W power consumption

STREAMLINE REFRIGERATION PTY LTD

T/AS ICE MAKERS BY DELUX

TERMS & CONDITIONS OF SALE - WARRANTY TERMS (INCLUSIONS & EXCLUSIONS)

1. DEFINITIONS

The following words have the following meaning:

1.1 “Streamline Refrigeration Pty Ltd means Ice Makers by Delux (A.B.N. 99 080458368) and all related corporations or assigns.

1.2 “Contract” means the contract entered into between Ice Makers by Delux and the Customer, on the terms set out herein.

1.3 “Customer” means the Customer purchasing or offering to purchase goods from (including his successors and nominees), and where there is more than one Customer, the Customer’s covenants and obligations are joint and several.

1.4 “Date of Delivery” is the date of which the Goods leave the premises of Ice Makers by Delux.

1.5 “Goods” and “Goods supplied” includes goods manufactured, imported, supplied and/or delivered by Ice Makers by Delux.

1.6 General any order placed by a purchaser is deemed to be an order which may be introduced in the purchaser’s order unless otherwise expressly

agreed to by Ice Makers by Delux (“The Seller”) in writing.

1.7 Approved customer means a buyer who has undergone ca redit check by the seller and has been granted an account or a credit limit by the seller which has been confirmed in writing by the seller.

1.8 End user means a person, firm, company, body corporate or entity who is in possession of the goods and is using the goods on their site and can produce upon request an official invoice for the goods either from the seller, the buyer or an approved customer.

1.9 G.S.T Means Goods and services tax.

1.0 E.F.T Means Electronic Funds Transfer

1.1 C.O.D Means Cash on Dellivery

2. PAYMENT

2.1 Payment for goods supplied by Ice Makers by Delux to the Customer shall become due on the date of delivery of the Goods or otherwise on the date specified in Ice Makers by Delux’s invoice Payment shall be made at Ice Makers by Delux’s Sydney Head Office.

2.2 Time for payment shall be of the essence of the Contract.

2.3 If payment is not made in accordance with Ice Makers by Delux’s terms and conditions then Ice Makers by Delux shall without prejudice to any other remedy be entitled to charge interest and administration charges at the higher of 10% or 2% above the overdraft rate charged to Ice Makers by Delux by its Bankers from time to time on monies outstanding. The Customer will also be liable for any legal or other costs incurred by Ice Makers by Delux in attempting recovery of amounts owed by the Customer.

2.4 If the Customer delays making payment under the terms of the Contract Ice Makers by Delux may, without prejudice to any other remedy, suspend supply or delivery of any Goods to the Customer until such payment is made and Ice Makers by Delux shall be entitled to increase the Contract price to cover any extra expenses incurred as a result of the Customer’s default.

3. DELIVERY OF GOODS

3.1 DELIVERY The goods will be charged at a cost as quoted unless otherwise stated in writing.

3.2 Ice Makers by Delux shall make all reasonable efforts to deliver to the goods on the date agreed between the parties, but shall not be responsible for any consequential, indirect or other loss arising as a result of any failure by Ice Makers by Delux to deliver the Goods at any agreed time or within a reasonable period. Where no date for delivery has been agreed upon, Ice Makers by Delux shall deliver the Goods within a reasonable time. Where delivery is to be made during a certain period, Ice Makers by Delux may at its option delivery the Goods in instalments during that period.

3.3 Where delay in delivery or non delivery is due to the customer failing to obtain any necessary approvals, clearances or other prerequisites to delivery or arises as a result of government interference, riot, acts of public enemies, strikes or lock out, shortages of manpower howsoever occurring, fire, flood, power disturbances, shortage of raw materials, damage to machinery or dislocation of production, dislocation or delay in transport, acts of God or any other occurrence reasonable beyond Ice Makers by Delux’s control, Ice Makers by Delux shall within 30 days of becoming aware of any such occurrence notify the Customer in writing of Ice Makers by Delux’s inability to deliver and may terminate the contract if it shall so determine.

3.4 Unless otherwise agreed, Goods supplied shall be of ordinary commercial quality and all standards including but not limited to tolerances of dimension, strength and weight, shall be of such standard as Ice Makers by Delux generally applies to such type of Goods. Ice Makers by Delux shall not be liable for over or under delivery of bulk Goods provided that any over or under delivery shall not exceed 10% of the ordered quantity, such bulk goods shall be charged at the ruling unit cost for the goods delivered.

3.5 Any measures requested by the Customer to protect the Goods in storage or transit shall be at the Customer’s expense.

4. PROPERTY IN THE GOODS

4.1 The parties agree that the ownership of the Goods delivered by Ice Makers by Delux to the Customer will not pass to the Customer until such time as the Goods the subject of the contract and all other Goods supplied by Ice Makers by Delux to the Customer have been paid for in full.

4.2 Notwithstanding anything in this clause, Risk in the Goods shall pass to the Customer at the date of delivery.

4.3 Until such payment has been made the Customer holds the Goods as bailee for Ice Makers by Delux and shall safely and securely store the Goods separately from other goods on the premises of the Customer in such a manner as to show clearly that the Goods are the property of Ice Makers by Delux.

4.4 Where payment is not made or on before the due date the Customer shall, should Ice Makers by Delux so require, deliver up the Goods to Ice Makers by Delux failing which Ice Makers by Delux is hereby irrevocably authorised to enter at any time by its servants or agents the place where the Goods are situated and to repossess the Goods, and to remove the Goods from any

vessel, vehicle, thing or place whether or not they have at any such time before been fixed to any vessel, vehicle, thing or place and for the purpose Ice Makers by Delux is appointed the Customer’s agent.

4.5 The Customer agrees to indemnify Ice Makers by Delux and keep Ice Makers by Delux indemnified against all costs incurred by Ice Makers by Delux in removing the Goods and against all claims against Ice Makers by Delux arising from such removal.

4.6 The Customer bears the onus of proving that Goods supplied by Ice Makers by Delux in the Customer’s possession (whether mixed with other Goods or not) have been paid in full by the Customer. If the Customer is unable to prove to the satisfaction of Ice Makers by Delux, the Goods identified as Ice Makers by Delux Goods have been paid in full by the Customer, then those Goods shall be deemed to relate to unpaid invoices outstanding from time to time and such Goods are deemed to be the property of Ice Makers by Delux. Ice Makers by Delux reserves the right to repossess those Goods without having to prove that the Goods relate to specific unpaid invoices outstanding at the time of repossession.

4.7 Where the Customer makes a new object from the Goods, (whether finished or not) or the Customer mixes the Goods without Goods, or the Goods become part of other Goods (the “New Goods”), the Customer agrees with Ice Makers by Delux that the ownership of the New Goods immediately passes to Ice Makers by Delux and that until payment of all sums owing to Ice Makers by Delux whether under this or any other contract the Customer will hold the New Goods as a fiduciary for Ice Makers by Delux. The ownership of the New Goods passes to Ice Makers by Delux at the beginning of any operation or event by which the Goods are converted into the New Goods. Where Ice Makers by Delux has not been paid in the manner specified in sub-clause 2.1 herein, the Customer agrees with Ice Makers by Delux to hold the New Goods in a manner that clearly shows the ownership of Ice Makers by Delux.

4.8 Notwithstanding the provision of the preceding sub-clauses, the customer may sell the Goods and the New Goods to a third party in the course of business and deliver them to that party provided however that:

(a) where the Customer is paid by that party, the Customer holds the whole of the proceeds of the sale on trust for Ice Makers by Delux and shall not mingle any of the proceeds of sale with the Customer’s own monies or in any Bank Account with other monies, but shall ensure that all receipts of sale are separate and identifiable. Moreover, the Customer shall immediately on receipt of the proceed of sale remit to Ice Makers by Delux all monies owning under the Contract; and

(b) where the Customer is not paid by the party, the Customer agrees, at the option of Ice Makers by Delux to assign his claim against that party to Ice Makers by Delux upon Ice Makers by Delux giving the Customer notice in writing to that effect. For the purpose of giving effect to this sub-clause the Customer irrevocably appoints Ice Makers by Delux as its attorney.

4.9 Where the contract is for delivery of the Goods by instalments the property shall not pass in any instalment of the Goods until payment has been made to Ice Makers by Delux of the total contract price.

5. Warranty

Ice Makers by Delux warrants contained in this price list, providing that the goods are installed correctly as per the Manual and are used in accordance with the manufacturer’s instructions as specified in the Manual supplied with the goods.

The Seller will provide replacement parts free of cost to the End User Buyer or Approved Customer for a period of 24 months from the date of original invoice from the Seller.

The seller will depute a technician and pay their labor charges to make good any defects in the goods during the 12 month warranty period including replacement of faulty parts.

Warranty repairs are carried out during normal business hours Monday to Friday 8.00am to 4.00pm excluding Public Holidays. Labor Charges for any urgent warranty request which are required to be done outside of these hours will be payable in full by the Buyer. Penalty rates Call out charges and travel time will be payable as applicable in addition to the actual labor charges.

To attend to a Warranty Request, a response time of up to 72 hrs maybe required depending on the location of the goods and the time of the day when a Warranty request is received. If incomplete of incorrect information is provided, this response time can be longer.

The Seller reserves the right to request the Buyer to return the faulty goods at their own cost to an authorised service center in a Metro City location within Australia if the Buyer or their end customer is located in an area where an Authorised Service Technician is not available or the area is unreachable within reasonable time or cost.

Warranty excludes fragile items such as glass, light bulbs as well as wear and tear type items such as filters, seals . Warranty also excludes sensitive electronic items such as PCB’s, and Displays.

Eligibility Criteria for Warranty

To be eligible for the Warranty the Buyer has to provide the following information to the Seller in writing within 30 days of the purchase of goods from the Seller:

A Location where the goods have been installed

B Business Name of the End User where the goods are installed and located

C Date of Installation and name of the Installer

D Model and Serial Number of the product

E Date of Purchase of Goods from the Seller and Sellers Invoice Number

F Date of resale by the Buyer to the end User and the invoice number for resale

Details to be provided when making a Warranty Request

Model Number

Serial Number

Goods Purchased from and Purchase date and Invoice Number

Details of Failure

Site Contact details such as Contact Name, Contact Number and Site Address of end user.

Warranty excludes the following:

A Failure attributed to misuse, abuse, incorrect installation, and incorrect operational usage, lack of routine maintenance and cleaning and not allowing proper ventilation to the product.

B Failure caused by a power surge or as a result of faulty power supply at the site where the goods are installed.

Ice Maker by Delux will not be liable for any direct or indirect or consequential loss of profit or for any other economic loss including but not limited to produce loss as a result of failure of the goods. This warranty is only limited to making good of the defects or malfunctions in the goods supplied within 12 months from the date of the invoice from the Seller to the Buyer.

Governing Law

All matters related to all transactions between the Buyer / Approved Customer or End User and the Seller shall be subject to laws of New South Wales Jurisdiction.
